

Gulliver's

TRUCK HIRE LTD

Gulliver's for transport hire big

Welcome to Gulliver's

Gulliver's is the premier vehicle hire company in the UK, specialising in both general and municipal vehicles.

With a fleet of over 4,000 late registration vehicles it's no wonder we're the preferred supplier of many customers.

Initially based in the South West, we now operate a nationwide service out of nine depots across the UK – Bristol (head office), Brownhills, Cardiff, Exeter, Glasgow, Gloucester, Heathrow, Manchester and Newport. With all vehicle types available from every depot (subject to availability) and each depot with its own team of mechanics offering 24 hour breakdown cover, we're certain we can fulfil your requirements.

Gulliver's was established in 1960 and are proud to keep to the original family business principles that made us successful in the first instance... high quality vehicles, maintained to an exceptional standard in our own workshops, superb customer service and fully knowledgeable staff.

Whether you need a van for a day or a fleet of specialist vehicles for years we have the flexibility and expertise to meet all your requirements and expectations.

Types of hire

Gulliver's is renowned for its flexible approach, we have a diverse range of vehicles and hire options, that can be delivered anywhere in the UK.

SPOT HIRE General and municipal vehicles can be hired immediately, although advanced bookings may of course be arranged.

FLEXI HIRE Offering you the benefits of contract hire with a long term weekly rate, whilst not being tied to a fixed contract.

CONTRACT HIRE Any vehicle can be rented on a fixed price basis over a period of time to suit you. Not only do you get a premium vehicle, tailored to suit your specific business needs, but the service included is second to none.

Full Fleet Management

Gulliver's are able to offer various fleet solutions covering all your vehicles, ensuring they are fully compliant at all times. At Gulliver's, we pride ourselves on the principle that 'a promise is a promise', and we always deliver our promises.

The principles which first made us successful, such as personal service, expertise, flexibility and added value services have propelled Gulliver's Truck Hire to the forefront of the vehicle solutions industry.

Gulliver's contract customers benefit from Full Fleet Management incorporating Service Level Agreements (SLAs) and Key Performance Indicators (KPIs) tailored to their particular business needs. This provides a clear understanding and a working document, outlining areas of responsibility, i.e. servicing arrangements, replacement vehicles and time critical responses. The SLAs and Fleet Management solutions are the foundation of every Gulliver's contract and form the basis of regular review meetings, held with dedicated Account Managers.

Our added value services include...

The Road to Reliability

Gulliver's have a nationwide network of Service Centres to keep your vehicles moving. Providing vital support, maintenance, servicing and parts, essential to the smooth operation and long life of your vehicles.

Contract Maintenance and Service Agreements

Gulliver's can provide fixed maintenance costs and service agreements, tailor made to your individual needs to keep your fleet on the road and avoid the worry of costly repairs and downtime. Gulliver's offer preferential rates on replacement vehicles from our 4,000 strong hire fleet.

Gulliver's Inspection Service

To complement our nationwide service centre we also offer a defect clinic, where a fully trained technician can call to your site at your convenience to inspect your vehicles and provide...

- Full written report on its condition, listing any defects.
- Detailed costs will be provided, detailing any remedial work which may need to be carried out.

National Hotlines:

18 General 0845 260 0999 or Municipal 0870 850 9990

Service and Repairs

With service centres throughout England, Wales and Scotland, Gulliver's provides the back-up and support you need in your local area, 24 hours a day. Gulliver's offer a full check and chase facility providing 24/7 cover 365 days a year. Communication is key and from the initial call, progress of the vehicle is monitored and a full reporting system provided.

Compliance

Gulliver's offer all forms of 'e' communication, which can apply for the use of the administration services, KPI reporting and accounting processes. A company-wide scanning system allows electronic storage and distribution of all vehicle service sheets, MOT certificates etc. to customer locations. An online compliance is available with a confidential log in facility and to assist with Operators License compliance.

Gulliver's history

Gulliver's is a family-run business and as a result the founder and Chairman Mr Gabe Harding, who established the business over 50 years ago, still takes a very active role in the day-to-day running. He is supported by his sons, Philippe Harding the Managing Director and Nic Harding a Director and Manager of our Heathrow facility.

The company has gone from strength to strength over the last 50 years, initially established hiring cars with rental prices starting at just 17 shillings and 6 pence for an evening hire and £1 and 15 shillings for the day. Gulliver's have come a long way since then, developing to specialise in the hire of both general and municipal vehicles with a nationwide fleet of more than 4,000 and a product range of over 40 various vehicle types and sizes.
